CASAS Test Preparation

Students have the option to listen to questions multiple times.
Click on “check” to see if question was answered correctly.

**Note:** If student moves to next question without checking answer, he/she cannot go back and check answer.
If the answer was incorrect, student can get a hint or try again

Note: Student has two attempts to answer question correctly
If student chooses *hint*, program will play the audio again and display the passage in writing, highlighting the sections the student needs to pay attention to.
Student can end the test at any time.
Student will receive this message when ending test.
Student receives score at end of test. Click OK.

Then click on menu to return to menu screen.
Click on test date line to review test.
Same process is used for Reading
Note:
Student will receive this message if he/she tries to exit to menu without ending test.

Sophia and Lucy work together at a dress shop in Chicago. Sophia has been working there for three years, but Lucy started only five months ago. When Lucy first moved to Chicago, she worked in a big supermarket for two years, but she only worked part-time. She enjoys her new job because she makes more money working full-time and likes working with Sophia.

What was Lucy’s problem with the job in the supermarket?
- A. It wasn’t in Chicago.
- B. She didn’t make enough money.
- C. She wanted to work with Sophia.
- D. She was working with Sophia.
