

Edmentum Customer Support Options

Call

Call 800.447.5286
then dial 9 (for customer support)
then choose your product
then dial 3 (to choose program help).

Calling is truly the quickest way to get your question answered. We have live customer service representatives available from 6am to 6pm CST, Monday through Friday.

Email

Email: Support@edmentum.com

For after-hours questions, you can send an email and a representative will respond in the way to that you request in the email.

Accessing Support from inside the Program

You can also access Customer Support from within the Program you are using by clicking the *SHOW me* tab on the upper right hand corner of the Admin page. There are several printable "how to" documents within this area as well.
